feat. Jae Hood  
("Destroy & Rebuild" by Nas beat)

Aiyyo, I'm on these faggots like white on rice  
You getting mangled two ways either strangled or sliced  
Jae Hood, I'm \*gunshot\* in the streets  
Catch you in Miami and leave you all over the beach  
I'm a Wu intellectual these niggas homosexual  
You don't deserve to get shown what they tec could do  
Nigga my respect is due, show it or get stripped  
of your fans in front of you before you know it  
We gon get this paper like printers  
So I could be established and be considered a heavy spender  
And you can best believe I'm a excellent contender  
And if I run up on you armed, y'all gon surrender  
Niggas wanna say all I spit about is guns and drugs and killing  
These freestyles fuck what you feeling

Nigga cop the album prick and get off my dick  
We using this rap shit to get rich  
I'm a pimp; minus the gators and the hat  
Catch me pushing a El Dorado with your chick in the back  
Wit my dick in her jaw she a typical whore  
I got Hershey on my nuts and she lickin' it off  
Shorty I don't care if you ain't feeling me  
I ain't feeling you cause see the bitches get thrown in the swimming pool  
With they shoes and they clothes on  
Might get stole on in the 745 now you get your roll on  
Let a chick blow on my dice, she wanna rock my ice  
When it comes to fucking every chick swear they nice  
I let em transport my bricks across the state  
And OT you niggas got dirt like sand weights
