Watchin' you packing  
I'm grieving  
Can't let you throw us away  
Why be so stuck up on leaving  
Why can't ya see what I say

I know I brought us some trouble  
Yes and you know you brought us some too  
Why don't ya think we can solve'em  
Hey workin' for love, me and you

Listen to me  
Listen to me, now  
Listen  
Listen to me  
Oh yes

Darling, I'm willin' and able  
Ready for a change in my ways  
Laid down my cards on the table  
Yes and start with ya straight from today

Outside it's thunder and lightning  
And the rain's pouring down from the sky  
Here in our home, where we're fightin'  
Oh nothin' seems right, we're tryin'

Listen to me  
Listen to me, now  
Ooh listen  
Listen to me  
For awhile yes baby baby baby

Standin' beside me now  
Yes maybe, maybe baby  
We can make it some how

Oh listen to me, now  
Listen  
Listen to me  
Oh alright

Watchin' you packing  
I'm grieving  
Can't let you throw us away  
Why be so stuck up on leaving  
Why can't ya see what I say

We've had some good times together  
There's been a reason for us  
Stick with me now through bad weather

Hey, stop what you're doin'  
And just listen to me  
Listen to me, now  
Listen-n-n mmhmm  
Listen to me  
Listen to me  
Listen to me, now  
Listen
