Moon, moon I can see you sinking low  
You make me think of the sweetheart, a little girl that I  
love so  
After I've wondered the whole night through wondering  
if you think of me  
While I'm by my own some thinking of someone, I'm  
thinking only of you

My Carolina sunshine girl, you have turned my heart to  
stone  
My Carolina sunshine girl, you have left me all alone

I wonder why I sit and cry  
When I really should laugh as it's your old photograph  
'Cause you're the sweetest angel in this world  
And I love, love, I love you my Carolina sunshine girl

I wonder why I sit and cry  
When I really should laugh, girl, at your little old  
photograph  
'Cause you're the sweetest angel in this world  
And I love, love, I love you my Carolina sunshine girl
