Doll Babe I'm so alone tonight  
Ain't certain if I'm wrong or right  
Ain't certain if it's all worthwhile  
Lord Babe if I could see your smile...

I'm standing on the shoreline looking at the raging sea  
It's ugly, dark and cold and I'm feeling like it's inside of  
me  
Thinking that by now I'm old enough to act my age  
Caught up in it all I'm working trying to turn that page

Doll Babe I know you won't come here  
You're way beyond this atmosphere  
I'm struggling where you used to be  
Lord, baby, how'd you get so free

You've got my respect and I'm jealous too but that's  
alright  
(what I'm trying to say)  
It sure would do me good if I could hold you tight  
tonight  
I can't put you down but other people talk that mess  
Well I hope you're happy now babe, happy with your  
sweet success

Doll Babe it's getting way too real  
I miss the way I used to feel  
Can't ever live the past again  
Wish I knew now what I knew then

And walking in the sand I look to see the tracks I've  
made  
The tide is rushing in and I'm watching while my  
footprints fade  
It's been a lonesome time since you were back here in  
my arms  
And yes I wonder now who's melting in your doll baby  
charms

Doll Babe I'm so alone tonight  
Ain't certain if I'm wrong or right

Ain't certain if it's all worthwhile  
Lord babe if I could see your smile....
