The cruelty of an Autumn leaf
The stillness of the falling leaves
There's peacefulness surrounding me
God is whispering to my soul

Peace is a place, a harbor safe
For riding out the storms
For each there's a grace, a strong embrace
The comfort of the Lord

He's ordained the paths we take
What father would his child forsake
Emmanuel, God is with us, all is well

When life is like a tempest sea
His spirit calms the storm in me
God sets my anxious soul at ease
When the winds of trouble blow

Peace is a place, a harbor safe
For riding out the storms
For each there's a grace, a strong embrace
The comfort of the Lord

He's ordained the paths we take
What father would his child forsake
Emmanuel, God is with us, all is well

In God I have assurance
His nearness is my good
And my confidence is knowing
In His will, all is well

Peace is a place, a harbor safe
For riding out the storms
For each there's a grace, a strong embrace
The comfort of the Lord

He's ordained the paths we take
What father would his child forsake
Emmanuel, God is with us, all is well
Emmanuel, God is with us, all is well
