"In You Alone"

When I am weak, You carry every burdon.
When I'm alone, You're just a breath away
When I am restless, You're the one who who stills me
And where I fail, You always stay the same

In You alone, I'm lifted up to heaven
In You alone, I soar on borrowed wings
When I reach the end, You are just beginning
In You alone, I find all that I need

When I am lost, You rescue me from danger
And when I fall, You pick me up again

When I resist, You love past my defenses
And though I stray, You're patient to the end

In You alone, I'm lifted up to heaven
In you alone, I soar on borrowed wings
When I reach the end, You are just beginning
In You alone, I find all that I need

In You lone, I soar on borrowed wings
When I reach the end, You are just beginning
In You alone, in You alone
