I'd seen you jackin' JC cause they got him most hazed

If you know about the ladies and all his babys

You diss on his rhymes a million times

And run around town like Bonny&Clide;

You see the move you're makin' the rhymes you're  
takin'

Will lead the heart breaking and I'm not mistaking

You like his money to be his honey

If it's truth you choose you break big dummy

Dumb girl

Dumb dumb dumb dumb dumb girl

I wish I knew why a girl like you

was to do all the things that you do

I know you want a man but you should understand

JC ain't D just be his fan

You're not this fine you're out of your mind

And I wrote this rhyme just for your kind

Don't be misled remember what I said

The rhymes of Rappers surely not to take in your head

Dumb dumb dumb dumb dumb girl

(Now) you are the finest girl in the whole school

but they don't call you fly because you're a fool

because you don't go to class you will not pass

you'd like to go but you're too slow because you're  
going too fast

And I can tell you are dumb when you walk in the place

Walk around with your dumb cold suckin' your face

Always sinning never winning cause you've lost your  
race

You get high into the line think that measures the ace

Dumb girl

Use me the girl is

Dumb dumb dumb dumb dumb girl

Now you're a typical sixteen with no real power

Ha! You funk like this a battle with ya last medium  
shower

Always guys call you fast but I gonna slow

Always slipping or giving somebody a blow

Giving every guy a try a way good to act

But there's a thing that you're missing

That you can't even buy

When it comes to love you even hit it by keep it

Just silly did it dumb did it just played stupid

Dumb dumb dumb dumb dumb girl

(use me, stupid as ..)

I want you to listen to the words that I speak

About playing when I'm saying to never be weak

You should use your brain but you don't have one

And when it comes to ??sings?? you don't have none

YO YO you should know when I come with Run

We tell this dumb di di dumb di di di di dumb dumb

Dumb dumb dumb dumb dumb girl

Dumb with the cap of a bee

Stupid as can be

Right down

Dumb

The girl is

Dumb dumb dumb dumb dumb dumb dumb girl

The girl is dumb
