Ah, Yo yo eyo yo yo yo yo yo eyo

Seen this girl on the block by the boondock

On the spot she was down for the bootknock

Droptop she was rockin to Tupac

Said: yo D not me, what you got

He says, "you's a vibrant thang,

vibrant thang, vibrant thang"

Seen a girl so crystal clean, I mean

Since I've been on the scene I dream of girls

In tubetops booze on rooftops

Now this girl, who cruises to Tupac

Get this girl in my bathtub, give her a back rub

My bathroom's like a nightclub

A few ladies in my den fondling

A few ladies in the den, so bring some Jello in

And a mighty fine fellow in like myself

To organize the panties on the shelves

[Chorus]

Them girls, them girls

Them girls I do adore

I like em' sweet and fine

I genuine, divine

All kinds I love them all

Them girls, them girls

Them girls around the way

I like a lemon to a lime

The women so fine sometimes they make me say:

Had a fly girl cold called her honey

went and spent up all my money

Fred went to bed with a girl from Cali, what?!

He told me she was looking for a dollar, dollar.

E to MC that don't get played

Girls gonna take it, but they don't get paid

They might get naked, but they don't get laid

The school needs girls since I made first grade

I like the small girls, I like the tall girls

I like all the girls fuckin dirty call girls

So Run, let's bring the girls in

And their girlfriends, but don't let the squirrels in

As for the boyfriends step on joint

When the girlfriends come home and bring Limp Bizkit
toys in

I like to rake(wreck) shit when I'm in the snake pit

But no silicone cause' I don't like the fake shit

[Chorus]

Them girls, them girls

Them girls I do adore

I like em' sweet and fine

I genuine, divine

All kinds I love them all

Them girls, them girls

Them girls around the way

I like a lemon to a lime

The women so fine sometimes they make me say:

Them girls, them girls [x8]

Yo, yo girls go lie lie

Girls galore, girls I never even seen before

The way they sway, that makes me smile

And Run get the dimes on the top of the pile

Girls are freaking things are good

Girls can fill up my neighborhood

But don't take my sunshine I'll be O.K.

As long as them girlies are here to stay

[Chorus(X2)]

Them girls, them girls

Them girls I do adore

I like em' sweet and fine

I genuine, divine

All kinds I love them all

Them girls, them girls

Them girls around the way

I like a lemon to a lime

The women so fine sometimes they make me say

Them girls, them girls [x8
