You've done it all, you've broken every code and pulled
the rebel to the floor

You spoil the game, no matter what you say for only
metal - what a bore!

Blue eyes, blue eyes, how come you tell so many lies?

Chorus: Come up and see me, make me smile

Or do what you want, run on wild

There's nothing left, all gone and run away

Maybe you'll tarry for a while

It's just a test, a game for us to play win or lose, it's
hard to smile

Resist, resist, it's from yourself you have to hide

Chorus

There ain't no more, you've taken everything from my
believe in Mother Earth

Can you ignore my faith in everything when i know what
Faith is and what it's worth

Away, away, and don't say maybe you'll try
