Wake up smell the thrash I'll put an end to your dream
Exit Sandman it's quarter to three
Grab you by the neck it's your Death in Effect
Feel my Fistful of Metal through the back of your head

Wake up... And smell the thrash

Wake up smell the thrash take a lesson from me
Graduated in the pit with a Ph.D
Wake up smell the thrash only posers sleep
In my Reign of Terror for the thrash you will bleed

You never heard of Rigor Mortis but it will soon seet in
I'll slice until I see your Skull Beneath the Skin
Eternal Nihtmare you'll sleep when you're Deceased
Feel the Power and Pain from The Strike of the Beast

Wake up... And smell the thrash

Wake up and smell the thrash for you'll soon be through
Throw you from the third floor it's what I'm gonna do
Wake up and smell the thrash Goblin's Blade gonna cut
And drain your life liquid to a Chalice of Blood
DRINK!

[Lead: Hellvomit Sodomizer]

Wake up smell the thrash got a Pleasure to Kill
That crap you call music makes me physically ill
Electo-Violent by Nature no place for Disgrace
Introduce my metal spikes to your fucking face

Wake up... And smell the thrash
