Day destroys the night...night divides the day...  
Tried to run, tried to hide...  
Break on through to the other side... [3x]  
Yeah...  
We chased our troubles there, dug our treasures  
there...  
Can you still recall the time we cried?  
Break on through to the other side... [2x]  
Yeah...  
Dead cat, a dead rat  
Did you see where they were at?  
Dead cat, doll path  
Did you see where they were at?  
Everybody loves my baby...everybody does my baby...  
She gets... [4x]  
Hot...ahh, yeah...  
Found an island in your arms...country in your eyes...  
Arms that train us, arms that lie...  
Break on through to the other side... [2x]  
Break on...yeah...  
Wait to see...week to week...day to day...hour to hour...  
Pain is great, deep and wide...  
Break on through to the other side... [2x]  
Break on through... [4x]  
Yeah... [9x]
