On my way home I had to tune out the radio.
Too much news that shook me to my soul.
I had to reach her right now,
cry out loud, and let you know.
That only thing worth living for,
is to learn to love you more.

When you fall in my arms I hold on a little tighter.
Let my heart be open wider
and never let a chance slip by.
Say the things left unsaid.
So i don't look back in sorrow.
If I knew you'd be gone tomorrow,
what could I do different tonight?
I promise you i won't turn down any more dances.
I've been a fool to think I'd always find you here.
Oh, I thank you God for this moment I've been granted.
To stand upon a mountain and shout
So you won't have any doubt.

When you fall in my arms I hold on a little tighter.
Let my heart be open wider
and never let a chance slip by.
Say the things left unsaid.
So i don't look back in sorrow.
If I knew you'd be gone tomorrow,
what could I do different tonight?

Ohh, Ohh, woah
When you fall
When you fall

When you fall in my arms I hold on a little tighter.
Let my heart be open wider
and never let a chance slip by
Say the things left unsaid.
So i don't look back in sorrow.
If I knew you'd be gone tomorrow,
what could I do different tonight?

What could I do different tonight?
Ohh, swat could I do different tonight?

OhH, baby.
What could I do different?

Ohh.
