We're together
more than ever
Everlasting
everlasting -
Only you and oniy me and
Everloving
everloving.
Too bad
it's really too sad

Too true
it's really not true.
Just a day-dream
every-night dream

Not the real thing.
Fantasy - I'm only dreaming

Fantasy - make believing

Fantasy - just a dreamer now.
Fantasy - just a notion

Fantasy - a dream emotion

Fantasy - just a dreamer now.
When you see me
you don't see me -
Not the real me
not the real me.
You just walk by
never say "hi" -
Maybe you're shy
Baby
I'm shy.
Every time that I pass you
I'm too mixed up to ask you

So I leave it
go home and dream it
In my minds-eye.

Fantasy - I'm only dreaming

...

Lonely dreamer

lonely dreamer

Lonely dreamer

lonely dreamer

...

Fantasy - I'm only dreaming
