Moj zeshkanja ime

...(Zeshkane=brunette, zeshkanja=little brunette) - zeshkane/zeshkanja pretty much means the same thing nothing to do with little

...Seeing you ignites me like fire

PranÃ« lumit qÃ«ndrojmÃ« tÃ« dy

NÃ«zemÃ«r kemi njÃ« mall

...(kemi=we have - right? In Dutch ears this seems peculiar. Since he is singing

Kuptoje njÃ« zemÃ«r djali

...(Kuptojne=(do) understand - imperative)

...That loves (you) and loves (you)

Kuptoje njÃ« dashuri tÃ«singertÃ«

QÃ« tÃ«adhuron e tÃ«adhuron.

Seq mÃ« dogji malli

pÃ«r ata sytÃ« e tu tÃ« zi

...(tÃ« zi=black)

...unfathomable gemstones

ti mÃ« fale gjallÃ«ri - you gave me liveliness / you made me feel alive

...(Am I right with this last verse? It comes as a surprise, since nothing before hints at it.)
