My harp flies to me!

And it sings that magic melody.

My harp flies to me!

And it cause sleep for the eternity.

My harp flies to me!

And it you bring us the happiness.

My harp flies to me!

And it cause the sadness this night.

Dagda, and its delighted harp,

The ruler» ç of life and death.

Dagda, God of the earth,

The master of the magic and the war.

Dagda, you protect us and guide us toward the light.

Dagda, plays your harp eternally for us...
