### "Inside the Inifinite Abyss"

The sky was in shadow while the solitary universe  
Was chaos, darkness and confusion...  
Traveling in the dark and infinite, infernal abyss,  
Traveling in the dark and infinite, infernal abyss.

Light and shadow are mixed on this side,  
While red blood covers the fields...  
Some feel defeated, some feel victorious,  
But only the gods can reveal your destiny.

Feeling odd and confused, I try to open  
My eyes, but the light is too intense.  
I sense my body heavy, though fleet among  
This crying of sirens, and I feel  
My soul falling toward the infinite abyss.

Crossing the gate of the infinite abyss,  
Inside the darkness, inside hell.  
Crossing the gate of the infinite abyss,  
Inside the darkness, inside hell.
