"Rise and Fall"

Visit "[Rise and Fall](#)" on MotoLyrics.com

I see a ray to rise in the sky

I see a storm to fall in the sand

I see the herb to grow and to rise

and this is the art of the life.

Rise and fall

Rise and fall

I see the waves to rise in the air

I see the waves dying and rise

and this is and will be the art of the life.

I see the dark rising in the light

I see the light falling in the dark

I see the day being night

and this is and will be the art of the life.

Rise and fall

Rise and fall

I see the life play with the dark

I see the death stealing the life

I see my heart as rise and fall

and this is and will be the art of the life.
