No matter who you are, or what your age may be  
if you want to achieve permanent, sustaining success  
the motivation that will drive you toward that goal  
must come from within

{Moe Love cuts and scratches}

[Ced Gee]

Check it out, one time

My tricky tricky style is so cocky I knock you out like I'm  
Rocky

And then I'll bet you the world, plus some loot, on the  
point

A licky lethaler rapper cause my rhymes are like potion  
I think he burn like ?, to put your mind in slow motion

Simply, it's done, like makin a bungee

You lick it or roll it a sticky spark with the fellas

Let's contact Quinton, they call him the chief

Plus I'm votin destruction, on suckers they're nerds

Take their style toss it up, then add effects like a  
reverb

Take it and match it, cause the flow is exceptional

The Washington Congress, the House and

Congressional

professional, call it geronimo

Frequencies on the mickie, watch your girl give a hickie

Now you're flippin the ill way, diluted with ?

The Horsemen style is to flow so rapid

Ricky run like a faucet, like ??

Costello so mellow, like a pen with Othello

Shicky shapin a Hamlet, tricky bowl thicky Jell-o

Hell-o, goodbye

Don't be scared, pick up the mic (3X)

[T.R. Love?]

My flow is wicked, rough and rugged like Wilson Pickett

Stick it, the funky kinetic can FLOW, cause I can dig it

Check it check it as I wreck it, niggaz never respect it

I was always neglected, intellect be so respected

A sharp shooter, blowin niggaz up out the frame

You can't maintain, my domain, too insane  
I have centrifugal terrifical styles  
Difficult styles, wire be bitin bark, chewin for miles  
I'm like Houdini the Great, I'm too magnificent  
Incredible shit, to make motherfuckers bug  
Now niggaz is sick, shootin up your town, blowin up  
your city  
as I stalk walk hawk, that shit ain't pretty  
Really, silly, better step off

Don't be scared, pick up the mic (5X)

[Kool Keith]

I got the pickup truck ready, lookin for Satan the Devil  
Yeah, bugged crazy off another, level  
I boogie woogie on down and catch mad wreck  
Load the calico check, come in high tech  
MC's jump up quick, you get your ass kicked  
Mad sick, used to hang with Charles Manson  
Cut up any foot, if I saw it kept dancin  
I smeggle smack em, briggie briggie break em  
Catch em with the Hefty bag, walk away and take em  
MC's look in the mirror, see they nightmare  
The bugged kid, bald head, fuck it I don't care  
I get frantic atomic, pull your rectum out  
Change your brainframe, butt pull your spectrum out  
I get retarded and raw like Razor Ruddock  
You don't wanna try the X, aww, fukkit  
Let me, show you, my style, this style  
Fuck that, na na na nah, not this style  
Yes yo, who dat? Yo wait, yo I'm comin down  
Hee hee hee hee! Come and battle me clown  
Juggle three balls, my balls, feel good  
You bet I have your girl on my dick, sister write me a  
letter  
MC's know they all deaf, they on the back burner  
I step straight to your crew like mad Truck Turner  
The crazy man with grenades in the projects  
Back up punk, remember X X X

Don't be scared, pick up the mic (4X)

[????]

Check it

It's my time with the rhyme, for the minor comin harder  
Pull a burner blast your ass at the line  
Racist, faces, spaces, braces, ????  
I'm sprayin mace in your face  
I'm tradin places with the power to knock, your ass  
unconscious  
I'm monstrous, I ? and I romp, cause I stomp, cause I

want this  
Not so fast kid yo, I did a mad bid  
You won't last kid yo, I whup your ass  
then vacate the premises, ?? of the Genesis  
??? motherfucker can you step to this  
Can you handle the vandal the man on the force  
through the scandal snuff your ass like a candle  
Well it's my rate, the high rate, the fly rate  
Since I rate, cause I rate, cause I make, you gyrate  
to the raw rappin cause it's all that it's all that  
It's raw Jack, and it's time - to go to war Jack  
So don't waste my time  
Let the bassline kick yo' ass with the chorus line  
A checka wreck a record, check-o-wreck  
I guarantee to rock shock shock the place with most  
respect

Don't be scared, pick up the mic (8X)
