Keep your hands in the air  
'Cuz we goin' take you there  
And I know it ain't fair  
But we just don't care

Chorus:

Ain't no other cats got love for me  
Ain't no cats gon' bust slugs for me  
Ain't no cats gon' shed blood for me  
But my dogs is gon' be a thug wit me  
{repeat chorus 1x}

DMX:

1st Verse:

If I'm gonna rob I'm a rob all night  
If I'm lookin' for somethin' it's probably a fight  
If I'm goin' fuck bitches then they better be tight  
If that's dead, then the head better be right  
If I gots to play I'm a play till I win  
Since I gots to be here can't wait to begin  
Wanna fuck shorty can't stand shorty friend  
'Cuz honey friend fuck many, many men  
Stay wit' the rats 'cuz the rats is real  
Wanna fuck? Then we fuck already know the deal  
Shit, fuck what you look like just show the real  
Then I keep spot that we can go to chill  
I love mine get down for the hoes  
Only reason I come around is for the hoes  
Pipework I lay it down for the hoes  
Hit 'em off wit' that dark brown you know?

Chorus: {repeat 2x}

Drag-On:

You fucking wit' me ain't keeping your health right  
'Cuz me and my dogs we keep it gelled tight  
The shit I pack is heavy but the shells light  
When they drop the same time you drop without a fight  
Burning anything that I'm putting my name on  
You might take a Drag but you can't flame On  
I know y'all niggas don't know me wit' a chain on

When it come to the fire I'm the kid they blame it on  
When you see like eight cars then y'all know where we  
are  
Niggas spitting mean bars off the green jar  
Never drunk but you see me limp at the bar  
Spit fire that'll melt the ice on your arm  
You had that but for now dog give me that  
'Cuz y'all you don't wanna see how my simmy act  
Fake hustling niggas you'll pump any pack  
When it come to this shit I done laid plenty flat

Chorus: {repeat 2x}

DMX:

Bridge:

Do you hear what I tell you?  
Understand what you hear  
Don't let nobody tell you  
What to hope and to fear  
{repeat bridge 1x}

Uhh uhh

What you niggas want? 'Cuz I got it right here  
Y'all niggas front then I hit you right there  
Not really impressed by what niggas wear  
Faggots talk shit but I really don't care  
I'm the type of nigga that'll die for the cause  
Fuck what you heard I will die for my dogs  
Ain't scared of shit will ride in the fog  
Same thing but a bigger size than yours  
I fuck with Drag-On 'cuz he spits the flame  
Drag-On motherfucker don't forget the name  
And we all taking over ain't shit the same  
If you ain't out that mob nigga quit the game  
And

Chorus:

Come on

Chorus: {repeat 2x}
