Bewitched, bewitched  
You've got me in your spell  
Bewitched, bewitched  
You know your craft so well

Before I knew what you were doing  
I looked in your eyes  
That brand of woo that you've been brewin'  
Took me by surprise

You witch, you witch  
One thing that's for sure  
That stuff you pitch  
Just hasn't got a cure

My heart was under lock and key  
But somehow it got unhitched  
I never thought my heart could be had

But now I'm caught  
And I'm kind of glad to be bewitched  
Bewitched, witched
