Why did you say goodbye to me?
Now I'm as lonely as could be
And as I feel a teardrop fall
I hear your footsteps down the hall
Walkin' away from me
Why did you say goodbye?
Why did you make me cry?
Now, every day I wonder why
Why, oh why oh why oh
Footsteps, footsteps, footsteps, footsteps
You're such a haunting memory
I pray that you'll come back to me
But as I say my evening prayers
I hear your footsteps on the stairs
Walkin' away from me
Why did you say goodbye?
Why did you make me cry?
Now, every day I wonder why
Why, oh why oh why oh
Footsteps, footsteps, footsteps, footsteps
Footsteps, footsteps, footsteps
