In this friendly, friendly world
with each day so full of joy
Why should any heart be lonely?

In this friendly, friendly world
with each night so full of dreams
Why should any heart be afraid?

The world is such a wonderful
place to wander through
When you've got someone you love
to wander along with you

With the skies so full of stars
and the river so full of song
Every heart should be so thankful
Thankful for this friendly, friendly world
