I Can't Help It  
Andy Gibb & Olivia Newton-John  
(Barry Gibb)

Oh, I  
Baby, what a fool I am  
First a boy and then a man am I  
And you  
You're the heart of it all  
You're the things I say and do  
Am I wasting my time hanging around  
You would be gone

But I can't help it  
Every moment that I think about you  
Every day and every night without you  
I can't survive  
Love, take away the lonely days gone by  
Make it every day for you and I  
Giving me a chance to go on believing  
Girl, you gotta go on believing  
Boy, you gotta go on believing

You  
Baby you're the breath I take  
Coming from the heart in love am I  
And you  
You're the heart of it all  
You're the things I say and do  
Am I wasting my time hanging around  
You would be gone

But I can't help it  
Every moment that I think about you  
Every day and every night without you  
I can't survive  
Love, take away the lonely days gone by  
Make it every day for you and I  
Giving me a chance to go on believing  
Girl, you gotta go on believing  
Boy, you gotta go on believing
