Oh, I, baby, what a fool I am
First a boy and then a man, am I
And you, you're the heart of it all
You're the things I say and do

Am I wastin' my time hangin' around?
You would be gone

But I can't help it
Every moment that I think about you
Every day and every night without you
I can't survive

Love, take away the lonely days gone by
Make it every day for you and I
Givin' me a chance to go on believin'
Girl, you gotta go on believin'
Boy, you gotta go on believin'

You, baby, you're the breath I take
Coming for a heart in love, am I
And you, you're the heart of it all
You're the things I say and do

Am I wastin' my time hangin' around?
You would be gone

But I can't help it
Every moment that I think about you
Every day and every night without you
I can't survive

Love, take away the lonely days gone by
Make it every day for you and I
Givin' me a chance to go on believin'
Boy, you gotta go on believin'

I can't help it
Every moment that I think about you
Every day and every night without you
I can't survive

Love, take away the lonely days gone by
Make it every day for you and I
Givin' me a chance to help it

Help it
Every moment that I think about you
Every day and every night without you
I can't survive

Love, take away the lonely days gone by
Make it every day for you and I
Givin' me a chance to
