I'm a man on fire  
It's a burning thing  
It'll burn on forever  
If you feed me baby  
I'm a man on fire  
An eternal flame  
It'll burn on forever  
If you feed me baby , oh .....

Gotta be a place to go in the midnight hour  
Heart of a women and just a little bit of pulling power  
The feelings got me  
I don't know what it means  
I know it must be wrong  
But when you love somebody you dream  
And I dream  
I save the love down deep inside me  
for the moment when you come  
And you're there , and you're gone  
And I'm alive for you  
And my love keeps hanging on

There is no life  
No reason to go on believing in the stronger love  
There is no unifying , if I don't hear you crying  
I'm yours , you're mine , no power in the world  
Together we are strong in love  
And when your storm is over, I'll show how warm my  
love can be  
And me , I'm a man on fire

I'm a man on fire  
It's a burning thing  
It'll burn on forever  
If you feed me baby  
I'm a man on fire  
An eternal flame  
It'll burn on forever  
If you feed me baby , oh...

Ready when the lightning strikes and he deed is done  
I'm not a beginner

But I'm a sinner when the heat is on  
Nothing gonna stop me , got me all that you need

Women when you need somebody  
A women with a face and a body , you dream  
And I dream  
I save the love down deep inside me  
For the moment when you come  
And you're there and you're gone  
And I'm alive for you  
And my love keeps hanging on

There is no life  
No reason to go on believing in the stronger love  
There is no unifying  
If I don't hear you crying  
I'm yours, you're mine , no power in the world  
Together we are strong enough  
And when your storm is over  
I'll show how warm my love can me  
And me , I'm a man on fire
