Maybe you don't know me any more than I know you  
And I wouldn't blame you if you walked away  
I've been watching you all evening with those teardrops  
in your eyes  
And it touches me much more that I can say

You know I hate to think that someone  
Could have hurt someone like you  
And if I was him I'd be right by your side

Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while  
Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while

Saw you in the corner from the moment I walked in  
Saw your lonely face across the room

No I won't forget you and the way it could have been  
Why'd you have to leave so soon

You know I hate to think there's someone  
You loved instead of me  
'Cause at times like this  
I'd be right by your side

Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while  
Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while

Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while  
Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while
