You got me lookin' at that Heaven in your eyes  
I was chasing your direction, I was tellin' you no lies  
And I was loving you when the words you said  
Baby, I lose my head

And in a world of people there's only you and I  
There ain't nothing come between us in the end  
How can I hold you when you ain't even mine?  
Only you can see me through, I leave it up to you

Do it light, taking me through the night  
Shadow dancing, baby, you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothin' more

All that I need is just one moment in your arms  
I was chasing your affection, I was doing you no harm  
And I was loving you, make it shine, make it rain  
Baby, I know my way

I need that sweet sensation of living in your love  
I can't breathe when you're away, it pulls me down  
You are the question and the answer am I  
Only you can see me through, I leave it up to you

Do it light, taking me through the night  
Shadow dancing, baby, you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothin' more

And in this world of people there's only you and I  
There ain't nothing come between us in the end  
How can I hold you when you ain't even mine?  
Only you can see me through, I leave it up to you

Do it light, taking me through the night  
Shadow dancing, baby, you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more

Do it light, taking me through the night  
Shadow dancing, baby, you do it right

Give me more, drag me across the floor  
Shadow dancing, all this and nothing more

Do it light, taking me through the night  
Shadow dancing, baby, you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more

Do it light, taking me through the night  
Shadow dancing, baby, you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more

Do it light, taking me through the night  
Shadow dancing, baby, you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more
