I Just Want to Be Your Everything
Andy Gibb
- written by Barry Gibb

For so long
You and me been finding each other for so long
And the feeling that I feel for you is more then strong,
girl
Take it from me
If you give a little more then you're asking for
Your love will turn the key
Darling mine
I would wait forever for those lips of wine
Build my world around you, darling
This love will shine girl
Watch it and see
If you give a little more then you're asking for
Your love will turn the key

I, I just want to be your everything
Open up the heaven in your heart and let me be
The things you are to me and not some puppet on a
string
Oh, if I stay here without you, darling, I will die
I want you laying in the love I have to bring
I'd do anything to be your everything

Darling for so long
You and me been finding each other for so long
And the feeling that I feel for you is more then strong
girl
Take it from me
If you give a little more then you're asking for
Your love will turn the key

I, I just want to be your everything
Open up the heaven in your heart and let me be
The things you are to me and not some puppet on a
string
Oh, if I stay here without you, darling, I will die
I want you laying in the love I have to bring
I'd do anything to be your everything

repeat last verse and fade out
