Sha la sha la la la la la  
Hey, everybody  
What do you say  
Sha la sha la la la la la  
Hey, everybody  
Today is the day  
Sha la sha la la la la la  
To be a celebration  
The band is going to play  
Sha la sha la la la la la  
Hey, hey  
Do what you want  
Sha la sha la la la la la  
Hey, hey  
{??}  
Sha la sha la la la la la  
Be a celebration  
Everybody trip out  
Sha la sha la la la la la  
Be a celebration  
Can't you hear the band call  
Sha la sha la la la la la  
Hey
