Ooh, ah
Ooh, ah
Ooh, ah
Ooh, ah

Enter Maurice
My dearest darling, come closer to Maurice so I can
whisper
Sweet words of epismetology in your ear and speak to
you of
The pompitous of love. Even though our road is rough
and
Long, for you to leave me at this time darling, must
surely
Be wrong. So come back and reconsider one more
thing. Maurice
Is the only one to make your little heart sing.

Ooh mama ooh, ooh mama ooh
How can you do the things that you do?
Ooh mama ooh, ooh mama ooh
I'm gonna buy you some brand new shoes
I'm gonna buy you some brand new shoes

Enter Maurice
I don't know why you won't make no more apple pie.
Since you've
Been gone it's been starvation mama, ever since I lost
my
Probation. Don't you remember the time that you ended
up in
Jail? That's right darling, it was Maurice who went your
bail.
Now, there's just one more thing that I want to say
before you turn
And walk away.

Bom Bom Bom Bom do wah da di dit
Bom Bom Bom Bom do wah da di dit
Bom Bom Bom Bom do wah da di dit...

Darling please, don't walk out that door, you must
reconsider
Darling, you've done it so many times before. It's not
too late,
It's never too late, precious one, for Maurice to love
you.
Just remember sweetheart, I bought myself a gun and I
will be
The only one.
