I ain't complainin'
But I'd sure like to find me
A true, fine love
Someone another
That's as sweet as your mother
A true, fine love

Cause the time is right
For walking in the moonlight
I have suddenly found I'm ready to settle down
So come on get your rocks off
I'm gonna knock your socks off

You'll see, oh yeah
So come on pretty baby
We're going to raise a family

There'll be no hesitatin'
Cause I'm so tired of waitin'
For a true, fine love
Someone another
Like a sister or brother
A true, fine love

Cause the time is right
For walking in the moonlight
I have suddenly found I'm ready to settle down
So come on get your rocks off
I'm gonna knock your socks off

You'll see, oh yeah
So come on pretty baby
We gonna raise a family

Well I ain't complainin'
But I'd sure like to find me
A true, fine love
Someone another
That's as sweet as your mother
A true, fine love

Cause the time is right
For walking in the moonlight
I have suddenly found I'm ready to settle down
We'll have a boy for you, we'll have a girl for me
Come on baby raise a family

So come on get your socks off
I'm gonna knock your rocks off
