When you get to Asheville
Send me an e-mail
Tell me how you're doing
How it's treatin' you

Did you find a new job
Did you find a new love
Is it everything that
You were dreaming of

Ooh, if it don't work out
Ooh, if it don't work out
Ooh, you can turn around
And come on back to me
You can come on home to me

Everything's the same here
We had to sew up Goldie's ear
She must've got into a fight
Somewhere in the night

She won't sleep in the house now
She just listens for the sound
Of your old eighty-four Ford
Comin' down the road

Ooh, if it don't work out
Ooh, if it don't work out
Ooh, you can turn around
And come on back to me
Come on back to me
You can come on home to me

When you get to Asheville
Send me an e-mail
Let me know that you still
Think about me
