Am I just the right height?  
Have I just the right style?  
Do I remind you of something you need with the way that I smile  
Are you lonely tonight  
Or am I walking just right?  
When you look at my lips  
do you see half the kiss you can't fight

Well Tracy I can't call you  
For reasons more than I've said  
I'm sure to disappoint you  
I'm not the boy that you drew in your head

Am I talking too much,  
Too desperate for your touch?  
Am I too shallow or deep  
Too many secrets to keep with my other lovers?  
Am I too fast with my hands?  
Are you scared of my plans?  
Tracy, I'm not your sketch  
but honestly what you expect?

Well Tracy I can't call you  
For reasons more than I've said  
I'm sure to disappoint you  
I'm not the boy that you drew in your head

Well don't take it so hard  
Love's not an art  
Some pictures are found out of frame  
There's no one to blame in this place  
that fought in this game  
Your heart's bound to wear different names

Well Tracy I can't call you  
For reasons that are more than I've said

I'm so sure I disappoint you  
Cause I'm not the boy that you drew in your head
