Same car, same parking lot  
In the park one mile from your house  
We make laughter to stop tears  
We don't know where to go from here  
We come tired from chasing dreams  
With you I swear nothing's changed  
Though they have come half true  
Reawake in minor view

Could it be that easy?  
I don't know

How many times do you set love free  
Before you know it's supposed to be?  
And how long do you wait and see  
Before you know to run to me?  
Before you know, ay ay

Poster children of young love  
Scared to hold on tight enough  
We're told to stay the course  
I'm barging my way into yours  
Oh, love, you see me through  
A fire I surrender to  
Our plans so big and bright  
We'll think about them twice tonight

Could it be that easy?  
I don't know

How many times do you set love free  
Before you know it's supposed to be?  
And how long do you wait and see  
Before you know to run to me?  
Before you know, oh oh

And all your fears and all your doubts  
They never came to bail you out  
Like every tear hits your shirt  
Reminds you of the fireworks

How many times do you set love free  
Before you know it's supposed to be?  
And how long do you wait and see  
Before you know to run to me?  
Before you know, oh oh

Same car same parking lot  
We used to sit and share out thoughts  
We used to call it love  
And then one day we learned to run
