I drive a compact SUV with a (street ford) engine
inside.
And I think the union won the war but I respect your
pride.
And I don't chew tobacco but man I'll drink your beer,
I was born up above the Dixie line and I ended up down
here.

I'm not country but I like the country, I know where I'm
from.
When I hear your songs on the radio, I start having fun.
I'm so down with deep fried chicken; Jesus saved my
soul.
Yeah I'm a Northern City boy and this ain't
Rock and roll.

I don't like watching NASCAR but God bless the number
3.
I cheer on the Pittsburgh Steelers, I don't watch the
SCC,
I don't shot guns or ride horses but I'll give 'em both a
try.
If Johnny Cash ever heard this song I bet he'd start to
cry.

I'm not country but I like the country, I know where
I'm from. When I hear your songs on the radio, I start
having fun.
I'm so down with deep fried chicken; Jesus saved my
soul.
Yeah I'm a Northern City boy and this ain't rock and roll.

No ooh oh
I like pretty southern bells and I like to take things slow
but
My cousins are NYPDs and I can drive in the snow.
Yeah I grew up playing in the dirt up where it ain't red
And I got one pair of cowboy boots but they
Ain't going to my head.

I'm not country but I like the country, I'm not

Saying that I'm a real dude. And when your songs
come on the radio,
I like the way I feel. I'm so down with deep fried
chicken;
Jesus saved my soul.
Yeah I'm a Northern City boy but this ain't, no this ain't
rock and roll,
This ain't rock and roll ohh oh oh, here we go.
