When you're in love
For the first time
Nothin' you can do
You lose your heart
For the first time, yeah
It's happenin' to you

You keep you're life
In your pocket
Safely tucked away
When you're in love
For the first time
Whoa...there's nothin' you can say

Listen now...
There she goes lovin' you
She's holdin' your hand, yeah
You're thinkin' you're so strong
Oh, she's more than you can stand

When you're in love
For the first time
There's nothin' you can say
You're on your way
For the first time
Whoa...it happens every day

Oh yeah
In love
So good
So nice

It happens all the time, yeah
It happens every day
Whoa...my darlin'

Love is here to stay
And you're in love
For the first time
Nothin' you can do
Yes you're in love
For the first time
Whoa...it's happening to you

Oh when you're in love
(when you're in love)
Oh nothin' you can do
'Cause when you're in love
(when you're in love)
When, when, when you're in love
When you're...when you're in love
Nothin' you can do, no
When you're in love
