Was it a dream or was it real - I do not know
Dark was the day, cruel were your eyes, sad was my heart
Full of sorrow, somewhere in you, just let me find
Cry, my angel, but don't you say goodbye to me

I must be strong, I must be tough, you broke my heart
My only one, ohâ€¦ can't you see - it wasn't me
Just a slender, just a lie, don't you believe
I've never loved anyone else, I'll never do

Why should our hearts be in that pain?
Why should our hands be far away?
I won't let go, I won't let stop, sure I'll never do

You'll never forget the days we had
You'll never forget the love we lead
But just don't you turn away and go, don't leave me

I must be strong, I must be tough, you broke my heart
My only one, ohâ€¦ can't you see - it wasn't me
Just a slender, just a lie, don't you believe
I've never loved anyone else, I'll never do

Why should our hearts be in that pain?
Why should our hands be far away?
I won't let go, I won't let stop, sure I'll never do

You'll never forget the days we had
You'll never forget the love we lead
But just don't you turn away and go, don't leave me

You'll never forget the days we had
You'll never forget the love we lead
But just don't you turn away and go, don't leave me

Don't leave me
