I wanna be loved with inspiration!  
I wanna be loved, starting tonight  
Instead of merely holding conversation  
Hold me tight

I wanna be kissed until I tingle  
I wanna be kissed starting tonight  
Embrace until our heartbeats intermingle  
Wrong or right

I feel like acting my age  
I'm passed the stage of merely turtle-doving  
(Be careful, be careful, what you do)  
I'm in no mood to resist,  
And I insist the world owes me a loving

I wanna be thrilled to desperation  
I wanna be thrilled, starting tonight  
(Love me, love me, love me)  
With every kind of wonderful sensation  
I wanna be loved

I feel like acting my age  
I'm past the stage of merely turtle-doving  
I'm in no mood to resist  
And I insist the world owes me a loving

I wanna be thrilled to desperation  
I wanna be thrilled, starting tonight  
With every kind of wonderful sensation  
I wanna be loved!
