All Harlem's got a brand new rhythm  
And it's burning up the dance halls  
Because it's so hot  
They took a little rhumba rhythm  
And they added boogie-woogie  
And-a look what they've got

Rhumboogie  
Rhumboogie-woogie  
It's Harlem's new creation  
With a Cuban syncopation  
It's a killer

Rhumboogie  
Rhumboogie-woogie  
The native rhythm haunts you  
It's barbaric and it taunts you  
It's a killer

Just plant your both feet on each side  
Let both your hips and shoulders glide  
Then throw your body back and ride  
There's nothing like

Rhumboogie  
Rhumboogie-woogie  
In Harlem or Havana  
In Pokipsy or Savanna  
It's a killer

Oh, beat me daddy  
But don't leave me

Rhumboogie  
Rhumboogie-woogie  
In Harlem or Havana  
In Pokipsy or Savanna  
It's a killer

Rhumboogie  
Rhu-umboogie-woo-oogie

The native rhythm haunts you  
It's barbaric and it taunts you  
It's a killer

Just plant you toes and both feet on each side  
Let both your hips and shoulders glide  
Just throw your body way back and ride  
Think a little of  
The rhumba  
The boogie  
The woogie  
Then put them  
Both all together  
You have rhumboogie

Then all together sing rhumboogie  
Rhumboogie-woogie  
Rhumboogie  
In Harlem or Havana  
In Pokipsy or Savanna  
It's a killer  
It's a killer this rhumboogie

Rhumboogie  
Rhumboogie  
Rhumboogie-woogie-woogie-woogie-woogie  
Do-do-do-do-diddleyada-do-diddleyada-do-do-dee  
There's nothing like rhumboogie
