It must have been cold there in my shadow,
to never have sunlight on your face.
You've been content to let me shine.
You always walked a step behind.

I was the one with all the glory,
while you were the one with all the strain.
Only a face without a name,
I never once heard you complain.

Did you ever know that you're my hero,
and everything I would like to be?
See I can fly higher than an eagle,
you are the wind beneath my wings.
It might have appeared to go unnoticed,
but I've got it all here in my heart.
I want you to know I know the truth.
I would be nothing without you.

Did you ever know that you're my hero?
And everything I would like too be.
See I could fly higher than an eagle,
you are the wind beneath my wings.

You Are The Wind Beneath My Wings.
