I know this feeling coming over me  
And I know that I won't sleep tonight  
Obsessions come and go so desperately  
I think we're running out of time

Will you remember me?

Only when the moon is bright  
Under the fireflies light  
I'll be waiting tonight (I'll be waiting)  
In the land where the cold winds blow, and the  
heartless few will never know,  
I'll be waiting tonight (I'll be waiting)

You're making moves with such uncertainty,  
Yet I can only watch you cry,  
Keep playing games with all that's meant to be  
and time will only pass you by.

Will you remember me?

Only when the moon is bright  
Under the fireflies light  
I'll be waiting tonight (I'll be waiting)  
In the land where the cold winds blow,  
and the heartless few will never know,  
I'll be waiting tonight (I'll be waiting)

I will never be... I will never be...

With these ties around me (around and around)  
I feel it coming slowly (so slowly)  
So quick to let it go, but the memory is one you'll  
remember  
I'll be waiting

Only when the moon is bright  
Under the fireflies light  
I'll be waiting tonight (I'll be waiting)  
In the land where the cold winds blow,  
and the heartless few will never know,

I'll be waiting tonight (I'll be waiting)
