And come tonight, you'll see them desecrate.
One to incite, we've got no time to waste away.
We all have time to kill, but I'm not waiting
I cant throw my chance away, my chance away.

Who are you fighting for tonight? Who are you trying to
be now?
(Who are you? Who are you? Who are you fighting for
tonight?)
Who are you fighting for tonight? Who are you trying to
be now?
(Who are you? Who are you? Who are you fighting for?)

I hope we find what we've been looking for,
You cant deny all these names carved in the door.
Maybe the heavens lied, cause I've been searching and
I just can't seem to find.

Who are you fighting for tonight? Who are you trying to
be now?
(Who are you? Whoa are you? Who are you fighting for
tonight)
Who are you fighting for tonight? Who are you trying to
be now?
(Who are you? Whoa are you? Who are you fighting
for?)

They'd like to say (they'd like to say) when people
change,
They forget memory lane and move on it's insane so
for now
All I can say (all I can say) is turn away and your
dreams will stay the same.

Who are you fighting for tonight? Who are you trying to
be now?
(Who are you? Whoa are you? Who are you fighting for
tonight)
Who are you fighting for tonight? Who are you trying to
be now?
(Who are you? Who are you? Who are you fighting for?)
