Here's my body; I'm giving in to you!
All this time has made me see it through.
I'm stumbling upon the start of something precious,
And no-one else could ever, ever make me turn and say...

I'm breathing life,
Here today!
No more walking around in circles.
Hold me tight;
It's okay!
I'll carry this world on my shoulders if you stay...
If you stay!

See these thoughts, I'm sharing them with you,
As you embrace me with your point of view.
Now I'm painting every picture filled with expectations,
Because no-one else had ever, ever made me feel this way!

Yes, I'm breathing life,
Here today!
No more walking around in circles.
Hold me tight;
It's okay!
I'll carry this world on my shoulders if you stay...
If you stay!

Now, I know that there are never many answers to my questions,
But somehow, now I feel like I could open this heart once again...

Yes, I'm breathing life,
Here today!
No more walking around in circles.
Hold me tight;
It's okay!
I'll carry this world on my shoulders if you stay...
If you stay, yes!
