Somewhere in the inside  
All along the road  
Lady Luck has fallen  
Now the truth unfolds

Rolling dice remember  
What promises regret  
Helps me to remember  
Helps me to forget

Some are believers  
Some don't know  
(some are lost)  
They're lost and alone  
Some are deceivers  
Their souls been sold  
(for the love)  
For the love of strange medicine

Far inside the dark room  
Behind all the walls  
Underneath the concrete  
Heaven starts to fall  
Walkin' on the sidewalks  
Red lights turn to blue  
Somewhere in the darkness  
Standing there is you

Some are believers  
Some don't know  
(some are lost)  
They're lost and alone  
Some are deceivers  
Their souls been sold

(for the love)  
All for the love  
Some are lost  
(some are lost)  
Lost and alone

All for the love of strange medicine

The love of strange...

(guitar solo)

Ah...

Some are believers  
Some don't know  
(some are lost)  
We're lost and alone  
Some are deceivers  
Their souls been sold  
(for the love)  
All for the love....

Some are lost  
(for the love)  
Some are lost

(for the love)

(for the love)

Some....ah.....

(for the love)
