Didn't always have the best of times
One would win, both would lose
Tried to make believe the feelings gone
Tried to make her into you

Within my heart I hear the truth
When the honesty shines through
'Cause

Love's like a river
Flowing, flowing forever long
And I will be there
I will, I will be there
Forever right or wrong

So here we are, the same old place
Wonderin' what to do
I'll be better in a safer space
Will I ever be with you

I swear my darlin' this time I'll try
I'll make it up to you
'Cause

Love's like a river
Flowing, flowing forever long
And I will be there
I will, I will be there
Forever right or wrong
Right or wrong

Love's like a river
Flowing forever long
And I will be there
I will, I will be there
Forever right or wrong

Forever right
