Happy valentine's, shmalentine's, valentine's day,
america.

Oooh, they get to go out to dinner with people that you
don't really have much to say to and you struggle over
words with a bunch of yuppies at the restaurant too and
it's all crowded and everything 'cause I have to go out
'cause I was told to. like pavlov's dogs we just march in,
like, a little pilgrimage on our mecca to a stupid
restaurant buying bad hallmark cards. oooh, and we'll
get in trouble. I didn't do anything for valentine's day.
what are you gonna do? oh, my god, I'm gonna be in
trouble. well, I'm not participating in your little reindeer
games, america. ho, ho, I'm not bitter. not at all. not
me.
