I'm happy to just to see you here
If only for the moment, girl
Why do you seem so sincere?
Don't tell me you're unhappy, girl
Honey, you don't need nobody
You've got another place to stay
Oh, you don't need nobody
Is it another sad mistake?
I wish that we could fall again
If only for the moment, girl
It's not easy to pretend
I see your eyes
They show it, girl
No, you don't need nobody
You've got another place to stay
Oh, no you don't need nobody
Is it another sad mistake?
Sad mistake.sad mistake

(SOLO)

Oh..
Stay with me awhile
Oh, if only for the moment girl
Please won't you lie to me?
Oh, if only for the moment, girl
Stay, stay, stay
Oh, if only for the moment, girl
Won't you believe in your man?
Oh, if only for the moment, girl
Oh, if only for the moment, girl
Oh, will you believe, believe in your man?
Oh, if only for the moment, girl
