Oh, you broke an old tradition
Gave into the flame
You tell me I'm the reason
You tell me I'm to blame
You're sorry for the evenin'
But nothin's wrong

It's only love
It's only love

Oh, it's only love
Only love

Oh, I don't need this condemnation
There's no room for mistakes
There's no time for forgiveness
It's written on your face
But girl I'm only human
Oh, you should know

It's only love
It's only love

Oh it's only love
It's only love

So let's turn it around
Start workin' it out
We should try
Our love is so strong

And I know we've got nowhere to go
It's right here we belong
We should try
Lookin' back again

Oh, I opened up your letter
I can't believe my eyes
You said I should know better
But I have no alibis

No, no

Hey
No

Ooh, then they play
Then they play
Then they play

Yes, they play
Then they play

Only love
Only love

Oh, it's only love
Only love

It's only love
It's only love

Oh, it's only love
It's only love

Oh, only, only love
Oh, only, only love

Don't be afraid it's
Only, only, only love
Don't be afraid 'cause it's
Only love, only love

Oh, only, only love
Oh, only, only love

Don't be afraid it's
Only, only, only, only
Don't be afraid it's
Only, only, only, only, only, only
Oh
