On a grassy knoll they laid him down  
And I bet he's still grumbling underground  
On a diamond, that's where I remember him best  
Sticking his nose in an umpire's chest

'cause they're paid too much today  
Man, I know that's what leo would say  
And they need a kick in the ass  
'cause nice guys finish last  
Nice guys finish last

The "say hey" kid's gonna miss you bad  
And I'm sure there were times when you made him  
mad  
He broke in the leagues back in '51  
And you treated him like he was your son

'cause they're paid too much today  
Man, I know that's what leo would say  
And they need a kick in the ass  
'cause nice guys finish last  
Nice guys finish last

You'd throw your tantrums like a little girl  
Got to see the shot heard around the world  
The pictures show you hugging bobby thompson's neck  
Back when they played the game for more than just a  
check

'cause they're paid too much today  
Man, I know that's what leo would say  
And they need a kick in the ass  
'cause nice guys finish last  
Nice guys finish last

So let the critics say just what they will  
You gave us a pain and you gave us thrills  
And most of these jokers never played the game  
You were much too good for their hall of fame

'cause they're paid too much today

Man, I know that's what leo would say  
And they need a kick in the ass  
'cause nice guys finish last  
Nice guys finish last

On a grassy knoll they laid him down  
And I bet he's still grumbling underground
