Somewhere There's Hope
When you're runnin babe
You can't let go
Life's on the line

When you're runnin runnin runnin
From a cold cold world
Voices they cry

Somewhere there's hope
(Somewhere there's hope)
Somebody please
(Somebody please)
Somewhere there's hope
Waiting there
Waiting there

Ooh the wheels of fear
Turn truth into lies
Like a thief in the night
Hold on
To the smoke and to the fire
No one
Can hide

Cause somewhere there's hope
(Somewhere there's hope)
Somebody please
(Somebody please)
Somewhere there's hope
Waiting there
Waiting there
Somewhere there's hope
(Somewhere there's hope)
Somebody please
(Somebody please)
Waiting there
Waiting there

Somewhere there's hope
(Somewhere there's hope)
Somebody please

(Somebody please)
Somewhere there's hope
Waiting there
Waiting there

They cry
Voices they cry
Somewhere there's hope
Somebody please
Oh
